

Mayor's Message

This Access and Mobility Map has been designed to make access to Blacktown City easy for everyone, including people with a disability and parents of young children.

It gives up-to-date and accurate information on access to key facilities, community services and transport as well as mobility information on kerbs and streets around the City Centre.

Blacktown City Council acknowledges the input from its Access Advisory Subcommittee in helping to develop this map.

We hope it will help residents and visitors to gain access to our City.

Councillor Alan Pendleton
Mayor of Blacktown City

How to use this map

This Access Map provides information about street access, accessible services and facilities within the central Riverstone and Schofields Town Centres.

Information on this map includes where to find accessible parking, toilets, kerb ramps, telephones, ATMs and public transport.

There is a key that provides a simple explanation of the symbols used on this map.

To locate facilities or buildings of interest you simply refer to the list and identify the reference grid number and refer to the grid position on the map. The index also indicates street numbers to identify the location of the other buildings or facilities

Mapped Information

Gradients >>>>>

Gradient warnings are indicated on the map. The arrows indicate the downhill grade. Warnings are provided for streets with an inclination of 1:14 or steeper.
