Mobility Guide

This guide has been developed by Hobsons Bay City Council to make getting around easier and more enjoyable for people with disabilities and their families.

Located at the northern end of Port Phillip Bay, Hobsons Bay has a rich natural environment including over 20 kilometres of beaches and foreshore areas, significant wetlands and important flora and fauna habitats.

There are also a number of shopping and café precincts, parks and other tourist and historical attractions that make Hobsons Bay an interesting place to live or visit. The guide covers some of these destinations in Williamstown, Newport, Altona and Laverton.

For information, brochures and pamphlets about what to see and do in Hobsons Bay go to the Hobsons Bay Visitor Information Centre (Williamstown) located in Commonwealth Reserve (corner of Nelson Place and Syme Street) and open daily from 9.00am to 5.00pm or ring (03) 9399 8641.

An initiative of the MetroAccess Program, a partnership between Local Government and the Department of Human Services Victoria - Building Inclusive Communities.
