## Cycling

Cycling is a great way to get to work, the shops or school and is a great way to get exercise and get to know your town. Pump up your tyres, grab your helmet and you're ready to go! For riding routes, tips or support visit Bicycle Network Victoria on **www.bv.com.au** or call on toll free **1800 639 634**

## Walking

Walking is easy, social, fun and free! People walk for many reasons, to relax, for exercise, to get somewhere, because the dog needs it, because it's cheap or just to get out of the house. Walking around the town centre is a great way to travel and it's something you can start doing right now. For walking information, tools and support visit Victoria Walks website on **www.victoriawalks.org.au** or call on **(03) 9667 1326**

## MAKING IT EASIER TODAY

This easy town map is designed to highlight transport, access, mobility, amenities, walkability, attractions and other facilities of interest to locals and visitors to the region.

The Getting Around Project is funded through the Victorian Government's Transport Connections Program, a cross-government initiative to help communities with limited transport options improve access to services and activities.
