Disabled Parking Permits

Mildura Rural City Council (MRCC) gives permits to MRCC residents under the Statewide Disabled Persons Parking Scheme. People from other areas should contact their own local council for disabled persons parking permits. These are also recognized in other states under similar arrangements.

Green and Blue Category Disabled Parking spots are marked on this map. They are often located side by side. Please ensure you park in the right type of bay for your permit type. The Green Permit PX2 are unique to MRCC and may not be available in other locations.
